SKILLS

- **Languages:** C++, JavaScript, C, Python, Java
- **Frameworks:** HTML and CSS, Bootstrap, NodeJS, React
- **Tools/Platforms:** Git, GitHub, MySQL, MongoDB
- **Soft Skills:** Problem-Solving, Optimism, Leadership , Adaptability

PROJECT

Last Minute Route Tracking | GITHUB February 2025 - May 2025

- Built a web-based last-mile delivery route optimization system with real-time path analysis and tracking.
- Integrated Google Maps API for route visualization, distance calculation, and dynamic tracking.
- Added alternate route comparison and logistics performance evaluation features.
- Achieved **85% route accuracy** and strong system reliability.
- **Tech:** HTML/CSS/JS, PHP, Google Maps API, MySQL, AJAX.

Hostel Room Allocation System | GITHUB May 2025 – August 2025

- Built an online hostel room allocation system with real-time vacancy viewing and room selection.
- Added room booking, availability tracking, and secure payment features for end-to-end allocation.
- Enabled efficient hostel management through automated allocation and live status updates.
- Achieved **95% system reliability and accuracy**.
- **Tech Stack:** PHP, HTML/CSS/JavaScript, MySQL, Payment Gateway Integration, AJAX

TRAINING

Data Structures & Algorithms (DSA) | Lovely Professional University June2025 – July 2025

- C++ fundamentals along with core data structures like arrays, strings, linked lists, stacks, and queues.
- Leaned Concepts of time and space complexity for writing efficient programs.
- Studied Recursion, basic backtracking, and key sorting and searching algorithms.
- Gained the ability to design efficient algorithms and apply optimal data structure to solve computational problems effectively.

CERTIFICATE

- AI Essentials for Beginners |CERTIFICATE August 2025
- Data Structure and Algorithm |CERTIFIACTE August 2024
- Responsive Web Design |CERTIFICATE November 2023

ACHIEVEMENTS

Leet-code: 100+ problems solved, 2 badges earned, 30+ days streak.

Hacker-Rank: 150+ problems solved, Top 15% at university level.

EDUCATION

- **Lovely Professional University** Phagwara, Punjab
  Bachelor of Technology- Computer Science and Engineering CGPA: 7.48 August 2023 - Present
- **G. M. Academy** Salempur, U.P
  Intermediate – 83.2% May 2020 - June 2022
